# InvoiceAble
by AppCapable
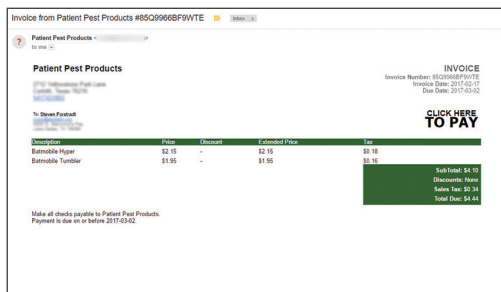

Get Paid Faster and Grow With Email Invoices

We help businesses build and send email invoices to customers! A pay now link makes it easy to collect payment quickly via credit card. Once the invoice is paid InvoiceAble marks your order as closed out in your Clover.

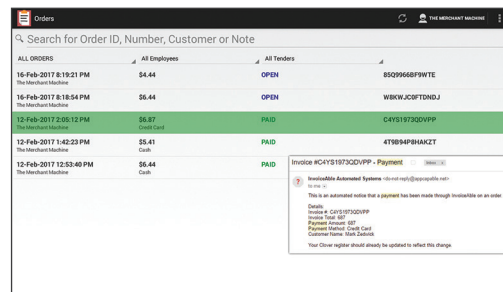

(Payment Screen) Easy to use Invoice Tender Type Created

Select A Customer and "Save Invoice"

They Receive and Pay Via Credit Card

Your Order Is Closed and You Are Notified of Payment

INSTALL FROM
Clover App Market
